

PREMIUM CIGAR PAC

INVESTING IN YOUR FUTURE

The **Premium Cigar PAC** is the political action committee for the premium cigar and pipe retail industry. The Premium Cigar PAC makes political contributions to federal candidates who are committed to preventing government action that would be detrimental to your business. Our PAC Board selects candidates and office-holders for PAC contributions from those who support the premium cigar and pipe industries on the following issues:

- **Opposes FDA regulation of premium cigars and pipe tobacco.**
- **Supports legislation that protects the premium cigar and pipe tobacco industries through statutory definitions.**
- **Opposes increased taxes on premium cigars and pipe tobacco.**
- **Opposes manufacturing restrictions that would prohibit seasonal blends and limited edition products.**
- **Supports the buyer experience, allowing consumers to access walk-in humidors.**
- **Opposes a mandate to install graphic labels, defacing ornate artisan cigar boxes.**
- **Opposes a ban on product sampling.**

It is critical, now more than ever, that we support candidates who will fight against onerous laws and regulations that threaten the premium cigar and pipe tobacco industries. The Premium Cigar PAC is the only way we, as an industry, can pool our resources to directly support candidates and office-holders with political contributions.
